

SINGER | Futura™

Model XL-580

Feature	Benefit
250 ALL NEW Embroidery Designs	Includes small hoop, large hoop and 50 endless designs
NEW Endless Embroidery Hoop	Create beautiful border and edging designs in this 6.75" X 4" hoop.
USB Key	Allows you to design in your embroidery software on your computer without being connected to your machine.
BONUS Software Included	Gives you even more creative possibilities with AutoPunch™, HyperFont™ and Advanced Editing software.
Multi-Hooping Capability	Easily create designs larger than one hoop. Large multiple hoop embroidery designs can be easily created on screen providing the sewer with the capability to precisely match stitches and designs.
3 Easy-On Extra-Large Hoops	Includes a 10" X 6" large hoop, 4" X 4" small hoop and 6.75" X 4" endless hoop
Stippling Embroidery Designs	Easily creates free motion quilting effects with embroidery.
Design File Compatibility	The included embroidery software will read these design file types: FHE, XXX, JEF, CHE, HUS, PES, DST, SHV, PEC, EXP, VIP, PCS, PSW & SEW.

SINGER | Futura™

Model XL-580

Feature	Benefit
20 Popular Fonts for Monogramming	Select from 20 embroidery fonts to personalize or monogram your projects. Letters can be sized, rotated and shaped with 30 lettering frames such as arc, banner, wave and more.
Outline Lettering	Create big, bold letters using a running or satin stitch.
Easily Sends Designs to Machine	One icon click in the embroidery software sends the design to your machine
Connects Directly to Computer via USB Cable	By allowing you to use your own computer, this unique innovation gives you the same capabilities of other embroidery machines at a fraction of the cost.
Live Software Updates	You can set the embroidery software to check for updates manually or on a set schedule. With a live internet connection, if an update is detected, it will automatically download to your desktop and await installation.
Automatic Thread Cutter	Cuts the top and bottom thread instantly with the touch of a button.
SwiftSmart™ Threading System	Simply guide the thread directly from the spool to the needle area through a single groove and thread the needle by pressing the threading lever for easy needle threading.
Drop & Sew™ Bobbin System	No need to pull up the bobbin thread manually. Simply insert the bobbin, place the thread in the channel and start sewing.

SINGER | Futura™

Model XL-580

Feature	Benefit
6 StayBright™ LED Lights	With lights on each side of the needle area as well as one light over the large surface to the right of the needle, it is easier to see your work.
215 Built-in Sewing Stitches	10 Basic, 6 Stretch 192 Decorative and 7 Buttonholes A large variety of stitches ensures the perfect stitch for every project.
6 Fully Automatic 1-Step Buttonholes Plus 1 Endless Buttonhole	Buttonhole sewing is a one-step simple process, providing reliable results every time. One additional endless buttonhole lets you have complete customization. There are no size limitations—ideal when sewing non-traditional sized buttonholes.
Exclusive Buttonhole Foot with Underplate	This foot sandwiches fabric between a lower plate and the foot to ensure perfect buttonholes on multiple layers of fabric.
Knee Lifter	The knee lifter allows for hands-free raising and lowering of the presser foot and is vital when appliquéing, embroidering or quilting.
Programmable Needle Up/Down	The needle can be programmed to stop in the highest <i>up</i> position when your foot is lifted from the controller, making it easier to remove fabric from the machine. The needle can also be programmed to stop in the <i>down</i> position which is ideal for pivoting, appliquéing and quilting.
Drop Feed	Perfect for free-motion embroidery, machine embroidery, monograms and attaching buttons without the need to attach a darning plate.
Extra High Presser Foot Lifter	There are two heights to the presser foot lifter. The second height offers a $\frac{1}{4}$ " more clearance, which is needed when placing multiple layers or bulky fabrics under the presser foot.

S **SINGER** | Futura™

Model XL-580

Feature	Benefit
Automatic Tension	Stable stitch quality no matter the type of fabric used.
Speed Control Lever	Slide the lever on the front of the machine to set the sewing speed from slow to fast. When the foot pedal is used the lever functions as a top speed limiter
Heavy Duty Metal Frame	This rigid support holds all the mechanisms in perfect alignment for skip-free sewing and overall durability.
